JOB SUMMARY:

Perform those skills consistent with the State of California scope of practice and local expanded scope of practice for a paramedic and within the guidelines, protocols and policies as directed by Mountain Valley EMS Agency. Responsible for the delivery of high-quality pre-hospital care. The paramedic is usually the primary Advanced Life Support caregiver, as defined in Division 2.5 of the Health and Safety Code and Title 22, California Code of Regulations. Manage each scene and available resources in a manner that provides the highest quality patient care and customer service by performing the following duties:

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Regularly attend staff meetings, read all bulletins, and complete all online training assignments to remain informed of current District policy and procedures, especially any changes to prior policy/practice
- Maintains license/accreditation and certification as Paramedic in Stanislaus County
- · Responds as scheduled or as needed to emergency calls
- Completes all required documentation accurately and submits according to established time frames
- Perform station duties as required
- Participates in public relations and educational programs
- Adheres to the established customer service standards for all Patterson District Ambulance employees
- Participates in critiquing and analyzing patient care, protocols, and charting procedures
- Participates in the ongoing quality assurance/quality improvement program
- Assure that the stock level of medications, medical supplies, equipment, etc., is maintained. Ensure that supplies and equipment are used safely and efficiently to avoid waste and that ambulance service work areas are maintained in a clean and sanitary manner
- Participate in all required safety orientations, drills, and training programs. Responsible for following safety rules and regulations to maintain a safe work environment and to help prevent workplace injuries
- Adhere to District attendance standards and standards of conduct
- Adhere to and follow all applicable governmental laws, regulations, ordinances, policies, procedures, and protocols governing EMS personnel, including all County and District continuing education and inservice training requirements
- Participates and assists in training and orientation of new employees and first responders
- Always maintain a proper uniform appearance and demeanor
- Maintain the confidentiality of all patient care information
